To

The Chief Secretary to the
Government of Mysore

Sir,

I have the honor to state for the information of Government that there are 8 chests of silver, valued at Rs 161-5-6, lying in the Anekal Taluk Treasury, belonging to the Temple of Bannerghat. There is also money amounting to Rs. 107/4 to the credit of the temple in the Surplus Funds. The Assistant Commissioner, in charge of the Mozrai Department, submits an estimate for carrying out alterations and improvements in the Temple with the object chiefly of admitting more light and air into the Temple. The present condition of the Temple is described by the Assistant Commissioner

as follows:-

"This is an important Temple
"to which many devotees resort
"during the Jatra - (in Chytra) the
"inside of the Temple is very dark
"and there are deep pits around
"the inner Temple. The bats having
"been collected at the ceiling, the
"whole Temple stinks awfully.
"The opening out of the windows
"in the roof, filling up the pits, &c.,
"are urgently required. In my
"last months' diary I have
"mentioned the details of my inspection.
"There are 67 Rs. in the Surplus Fund
"to the Credit of this Temple. There
"are 8 bars of silver valued at
"Rs. 161-5-6. These sums may be ap-
"plied for the repairs and the
"estimate may be sanctioned."

The improvements suggested by Mr. Raghunath Row, seem to be absolutely necessary and I solicit sanction to the estimate herewith sent and to sell the bars of silver.

Papers as per list are herewith sent for reference. I have the honor to be

Sir,

In reply to your No 9260/435
dated 26th February last, in regard
to the papers to be executed to the temple
at Banerghatta, I have the honor to
state that the silver ingots valued at
Rs: 165-6-0 referred to, consisted of
the accumulations of small silver
trinkets offered by devotees to the
temple during the past several years,
and they were lately melted down
and formed into ingots. The Amildar
reports that they were not given to
the temple for any specific purpose.

2. The temple enjoys no
Inam land. The temple servants
receive nominal stipend from 7 pies
to 1 Rupee and 6 pies each, per
month. The monthly Paditura
account is only Rs: 14 and odd.
The temple servants are not, under the
circumstances, in a position to con-
tribute anything towards the re-
pairs estimated at Rs. 250, which
is to be made up by the sale of
silver ingots and the surplus fund
to Rs: 107. 7. 9 for
